Portrait of the Great American Investor

You wouldn't know it to look at him. But he has an investment plan that's working, even though he's not.

From Elm Street to Wall Street, people all over America are discovering that U.S. Savings Bonds have changed.

When held for five years or more, Bonds pay competitive rates, like money market accounts. They're also free from state and local income tax. Find out more, call anytime 1-800-US-BONDS.
